THE CITY AND ITS CANALS

Venice

PICTURESQUE, UNIQUE, EXTRAORDINARY VENICE: EXPLORE ITS CANALS AND CHARMING BRIDGES AND LIVE AN AUTHENTIC EXPERIENCE OUT OF TIME.

The whole city is an extraordinary architectural masterpiece in which even the smallest building contains works by some of the World's greatest artists. Venice, the "Queen of the Seas", is built on water. Magnificent buildings and marble palaces and churches symbolize people's victorious struggle against the elements of a hostile nature.

Venice has always been a city of art and innovation. The first Cafè to be opened in Europe was in Venice – Caffè Florian – as well as the first tavern, the Osteria Do Spade, near the Rialto Bridge. Also the first casino in the world, called "Ridotto Grande", opened in Venice. And still in this magical city, there is the largest existing canvas, the "Martyrdom and Glory of San Pantaleone" of over 400 square meters, painted by Gian Antonio Fumiani. In Venice, you can also find the narrowest street: Calle Varisco, just 53 cm wide. Legends and mysteries pervade every corner of Venice. From the hidden place of the Holy Grail to the ghost of Marco Polo's bride, from the witch who wanted the soul of Tintoret-

to's daughter to the mermaid who with a stroke of her tail created the first Venetian lace from the sea foam. Its mysterious, romantic atmosphere makes the city truly special.

The art and wisdom of transforming sand into colorful masterpieces; the tradition of turning threads into precious lace.

Venice: its name is synonymous with dreams, all over the World. Beauty and history, masks and theater, music and art, religion and sea. The slow rhythm of the waves and the fast pace of those who walk up and down the bridges. The famous "cicchetti" with an Aperol Spritz; the stands scattered along the streets. A busy city during the day, a quiet romantic city by night: no cars, the only sounds are the mumbling of the "vaporetti", the water boats, and the hopping of the trolleys on the steps of the Venetian bridges.

Venice is simply inimitable and beyond words. You can only live it.
